

| Cat No      | Name  | Type                 | Method                  | Tests       |
|-------------|---|----------------------|-------------------------|-------------|
| RAP0521-001 | Retriever Tissue Slides (Box 72)                  | Immunohistochemistry | Retriever Tissue Slides | Box 72      |
| RAP0521-020 | Retriever Tissue Slides ( 20x Box 72)             | Immunohistochemistry | Retriever Tissue Slides | 20 × Box 72 |
| RAP0521-030 | Retriever Tissue Slides ( 30xBox x 72)            | Immunohistochemistry | Retriever Tissue Slides | >30x Box 72 |
| RAP0530-125 | Universal Buffer                                  | Immunohistochemistry | Universal Buffers       | 125 ml, 10x |
| RAP0530-500 | Universal Buffer                                  | Immunohistochemistry | Universal Buffers       | 500 ml, 10x |
| RAPO471050  | Section Block ready-to-use                        | Immunohistochemistry | IHC Buffers             | 50 ml       |
| RAPO471125  | Section Block ready-to-use                        | Immunohistochemistry | IHC Buffers             | 125 ml      |
| RAPO472050  | Antibody Diluent ready-to-use                     | Immunohistochemistry | IHC Buffers             | 50 ml       |
| RAPO472125  | Antibody Diluent ready-to-use                     | Immunohistochemistry | IHC Buffers             | 125 ml      |
| RAPO472500  | Antibody Diluent ready-to-use                     | Immunohistochemistry | IHC Buffers             | 500 ml      |
| RAPO473050  | Peroxidase Conjugate Diluent ready-to-use         | Immunohistochemistry | IHC Buffers             | 50 ml       |
| RAPO473125  | Peroxidase Conjugate Diluent ready-to-use         | Immunohistochemistry | IHC Buffers             | 125 ml      |
| RAPO473500  | Peroxidase Conjugate Diluent ready-to-use         | Immunohistochemistry | IHC Buffers             | 500 ml      |
| RAPO474500  | Slides Washing Bu er 10x Stock                    | Immunohistochemistry | IHC Buffers             | 500 ml      |
| RAPO475050  | Antibody Diluent For Frozen Sections ready-to-use | Immunohistochemistry | IHC Buffers             | 50 ml       |
| RAPO475125  | Antibody Diluent For Frozen Sections ready-to-use | Immunohistochemistry | IHC Buffers             | 125 ml      |
| RAPO475500  | Antibody Diluent For Frozen Sections ready-to-use | Immunohistochemistry | IHC Buffers             | 500 ml      |
| RAPO500125  | Western Block, BSA-Free ready-to-use              | Immunohistochemistry | Western Blot Buffers    | 125 ml      |
| RAPO500500  | Western Block, BSA-Free ready-to-use              | Immunohistochemistry | Western Blot Buffers    | 500 ml      |
| RAPO501050  | Antibody Diluent W ready-to-use                   | Immunohistochemistry | Western Blot Buffers    | 50 ml       |
| RAPO501125  | Antibody Diluent W ready-to-use                   | Immunohistochemistry | Western Blot Buffers    | 125 ml      |
| RAPO501500  | Antibody Diluent W ready-to-use                   | Immunohistochemistry | Western Blot Buffers    | 500 ml      |
| RAPO502500  | Washing Bu er W Tris-Based 10x                    | Immunohistochemistry | Western Blot Buffers    | 500 ml      |
| RAPO503050  | Stripping Buffer ready-to-use W                   | Immunohistochemistry | Western Blot Buffers    | 50 ml       |
| RAPO503125  | Stripping Buffer ready-to-use W                   | Immunohistochemistry | Western Blot Buffers    | 125 ml      |
| RAPO503500  | Stripping Buffer ready-to-use W                   | Immunohistochemistry | Western Blot Buffers    | 500 ml      |
| RAPO510500  | Coating Bu er 9.6                                 | Immunohistochemistry | ELISA                   | 500 ml      |
| RAPO511500  | Coating Bu er 7.4                                 | Immunohistochemistry | ELISA                   | 500 ml      |
| RAPO512125  | Plate Block, No Components of Animal Origin       | Immunohistochemistry | ELISA                   | 125 ml      |
| RAPO513500  | Plate Block E                                     | Immunohistochemistry | ELISA                   | 500 ml      |
| RAPO514050  | Sample & Antibody Diluent E ready-to-use          | Immunohistochemistry | ELISA                   | 50 ml       |
| RAPO514125  | Sample & Antibody Diluent E ready-to-use          | Immunohistochemistry | ELISA                   | 125 ml      |
| RAPO514500  | Sample & Antibody Diluent E ready-to-use          | Immunohistochemistry | ELISA                   | 500 ml      |
| RAPO515500  | Washing Bu er E PBS-Based 10x                     | Immunohistochemistry | ELISA                   | 500 ml      |
| RR21001     | Slide Chamber                                     | Immunohistochemistry | Accessories             | Set of 3    |
| RR21005     | Cord Set EU                                       | Immunohistochemistry | Accessories             | 1 each      |
| RR21007     | Green Silicone Sealing Gasket                     | Immunohistochemistry | Accessories             | 1 each      |
| RR2100-EU   | Retriever Unit                                    | Immunohistochemistry | Retriever Unit          | 1 each      |
| RTAB01-3    | 3mm (5 x 8 ; 40 wells)                            | Immunohistochemistry | Mold Kit                | 1 ea        |
| RTAB-01-5   | 5mm (3 x 5 ; 15 wells)                            | Immunohistochemistry | Mold Kit                | 1 ea        |
| RTAB06-1    | 1mm (10 x 12 ; 120 wells)                         | Immunohistochemistry | Premade Recipient Block | 1 ea        |
| RTAB06-1.5  | 1.5mm (9 x 10 ; 90 wells)                         | Immunohistochemistry | Premade Recipient Block | 1 ea        |
| RTAB06-2    | 2mm (6 x 10 ; 60 wells)                           | Immunohistochemistry | Premade Recipient Block | 1 ea        |
| RTAB06-3    | 3mm (5 x 6 ; 30 wells)                            | Immunohistochemistry | Premade Recipient Block | 1 ea        |
| RTAB06-5    | 5mm (4 x 5 ; 20 wells)                            | Immunohistochemistry | Premade Recipient Block | 1 ea        |
| RTABM06     | Base mold   | Immunohistochemistry | Mold Kit                | 1 ea        |
| RTAC06      | Embedding cassette                                | Immunohistochemistry | Mold Kit                | 500/PK      |
| RTAG06      | Guide for 1mm recipient block                     | Immunohistochemistry | Puncher Tip             | 1 set       |
| RTAM01-1    | 1mm (10 x 17 ; 170 wells)                         | Immunohistochemistry | Mold Kit                | 1 ea        |
| RTAM01-1.5  | 1.5mm (10 x 15 ; 150 wells)                       | Immunohistochemistry | Mold Kit                | 1 ea        |
| RTAM01-2    | 2mm (7x 10 ; 70 wells)                            | Immunohistochemistry | Mold Kit                | 1 ea        |
| RTAT06      | Full set with 5 Tips and 5 sized blocks           | Immunohistochemistry | Tissue Microarrayer Set | 1 set       |
| RTAT06-1    | 1mm   | Immunohistochemistry | Puncher Tip             | 1 ea        |
| RTAT06-1.5  | 1.5mm   | Immunohistochemistry | Puncher Tip             | 1 ea        |
| RTAT06-2    | 2mm   | Immunohistochemistry | Puncher Tip             | 1 ea        |
| RTAT06-3    | 3mm   | Immunohistochemistry | Puncher Tip             | 1 ea        |
| RTAT06-5    | 5mm   | Immunohistochemistry | Puncher Tip             | 1 ea        |
| RTAT06T1    | Single set for 1 mm puncher with a guide          | Immunohistochemistry | Tissue Microarrayer Set | 1 set       |
| RTAT06T1.5  | Single set for 1.5mm puncher                      | Immunohistochemistry | Tissue Microarrayer Set | 1 set       |

| Cat No      | Name                                      | Type                 | Method                  | Tests  |
|-------------|---|----------------------|-------------------------|--------|
| RTAT06T2    | Single set for 2mm puncher                | Immunohistochemistry | Tissue Microarrayer Set | 1 set  |
| RTAT06T3    | Single set for 3mm puncher                | Immunohistochemistry | Tissue Microarrayer Set | 1 set  |
| RAPO473050W | Peroxidase Conjugate Diluent ready-to-use | Immunohistochemistry | Western Blot Buffers    | 50 ml  |
| RAPO473125W | Peroxidase Conjugate Diluent ready-to-use | Immunohistochemistry | Western Blot Buffers    | 125 ml |
| RAPO473500W | Peroxidase Conjugate Diluent ready-to-use | Immunohistochemistry | Western Blot Buffers    | 500 ml |
| RAPO473050E | Peroxidase Conjugate Diluent ready-to-use | Immunohistochemistry | ELISA                   | 50 ml  |
| RAPO473125E | Peroxidase Conjugate Diluent ready-to-use | Immunohistochemistry | ELISA                   | 125 ml |
| RAPO473500E | Peroxidase Conjugate Diluent ready-to-use | Immunohistochemistry | ELISA                   | 500 m  |
| RR21008     | Basket                                    | Immunohistochemistry | Accessories             | 1 each |
| RR21009     | Basket Lid for Chambers                   | Immunohistochemistry | Accessories             | 1 each |
| RR21004     | Cord Set UK                               | Immunohistochemistry | Accessories             | 1 each |
| RR21006     | Cord Set UL (US mainly)                   | Immunohistochemistry | Accessories             | 1 each |
| RTAT06T5    | Single set for 5mm puncher                | Immunohistochemistry | Tissue Microarrayer Set | 1 set  |
| RAPO471500  | Section Block ready-to-use                | Immunohistochemistry | IHC Buffers             | 500 ml |
